

Riverside Against Drugs positively affects the lives of our 60,000 Riverside and Alvord Unified School District students.

RAD NEEDS YOU!

We are celebrating our 25th anniversary and are only \$70,000 away from donating \$1,000,000 cumulatively to our local schools.

October 4th, 2010 - Premier Service Bank Charitable Golf Outing at Victoria Country Club. We are honored to be one of four recipients of the Premier Bank Charitable Giving Program this year.

Here's how to help:

Come golf at the prestigious Victoria Country Club. \$1,200 for a foursome, \$325.00 per individual. Other sponsorships available.

"RAD touches the lives of the kids. We intervene to show them what life without drugs can be. We can touch their lives immediately and make a difference for the child and family. Encouragement...that's all they need. I remember learning about RAD when I was in school."
